On Saturday, October 21st, seven of us enjoyed a “Birdwalk” at *Stark Wilderness Center* in Wilmot. It was a gorgeous fall day!

We spent about (2) hours walking around the park, lead by our guide Sue, who is a member of the Bird Watchers club at *Stark*. She identified various birds and discussed their behavior. It was very interesting! Our (3) students (Gavin, Kaitlyn & Anthony) were attentive & even asked a question or two. Gavin was especially interested in observing and photographing mold.

Check out more pictures posted on the T4C website. <http://www.t4conline.net/wp/our-programs/youth-boosters>

For our November 30th event, we will meet at the T4C office and make special Christmas gifts for our Boosters. The students will be picked up directly after school by two of our board members, at both Dover Middle School and Dover Avenue.

More details are on the way. Thanks!
