On Saturday February 24th, we met at **WDNP** (102.3 fm) radio station in downtown Dover and learned how digital radio works. Station Manager, Steve “The Shu” Shumaker, took the time to explain the digital control panel and what they do there. Ironically, Mr. Shumaker just happens to be Gavin and Kaitlyn’s middle school social studies teacher.

After the 45 minute tour, we walked down the street to **Miller Creamery** and had some ice cream. I taught a devotional on “Worry” and how to trust in the Lord for every detail of our lives (Mathew 6:25-34).

For our March 24th event, we intend to visit the **McKinley Museum** in Canton to experience the **Planetarium & “Discover World”**, interactive science displays.

Thanks!

... *Bill*
