October 2018

Greetings Youth Booster Supporters!

On Saturday October 27th, six of us (Paul N., Trevor, Jim, Anthony B., Anthony R. and I.) attended a "Bird Feeder Workshop" held at Camp Buckeye in Beach City. The program began with our host singing a few praise songs. He then demonstrated how to construct a bird feeder, step-by-step. Prior to that we had a presentation by a bird watcher who gave the boys a good overview of the birds in our area. Very informative.

We then broke of into groups of two and began the process. There were helpers along the way. I was impressed with how well our boys did. They paid attention, learned a few things about God's creation and had fun. It was a good day!

Our Next events will be gathering at the T4C office to make chocolate edibles for our Boosters on Dec. 3rd. The YB Board ladies will pick up the boys after school. On December 6th, we will go Christmas shopping at Walmart, followed by wrapping presents for the families and caroling at an area nursing home. More details later.

Blessings!
